

PRO MARINE 925 OBC NAUTICAL SEARCHER

The transportable Offshore solution

The Nautical Searcher is a versatile and efficient RIB (Rigid Inflatable Boat) designed to meet the needs of the offshore and nearshore markets. Thanks to its transportable design, this boat can be easily transported by a normal truck transport, significantly reducing transportation costs.

Fast transit with 30 knots topspeed and cruising speed of 23 knots

- Survey equipment pole over the bow
- Cabin with front and aft door
- Full-fledged compact work boat

Fast facts

Technical Spec

Hull: Polyester/GRP
